Dear Michael:

I am pleased to inform you that Green Seal has evaluated the Wechem, Inc. application for a private label branded product from Cleanline Products and determined that the product complies with the environmental and performance requirements of the Green Seal Environmental Standard for Industrial and Institutional Cleaners (GS-37, 2008):

Product Name	Cleanline Product Name	Product Code	Packaging Size
Citra H2O2 Citrus Concentrate*	Super H2O2 Citrus Concentrate*	None	32 oz (quart)HDPE
		None	1 gallon (128 oz) HDPE

**Evaluated as closed dilution-control system concentrate and met the requirements for skin and eye irritation at the as used dilution*

Accordingly, Wechem, Inc. is authorized to use the Green Seal Mark in association with this product, provided that no changes are made in the way the product is manufactured or represented and the original product remains certified by Cleanline Products.

This certification remains valid until such time your product is no longer subject to a valid certification agreement, or that Green Seal has reason to believe, based on the results of our ongoing monitoring program or otherwise, that your product no longer complies with GS-37 (2008).

As a reminder, any use of the Green Seal Mark or reference to Green Seal needs to be approved by Green Seal and conform to the Rules Governing the Use of the Green Seal Certification Mark.

Congratulations on this recertification for Wechem, Inc. We look forward to continuing this relationship.

Sincerely,

Mark T. Petruzzi
Vice President of Certification
