

# HULK SYSTEM-101

*Heavy Duty  
Industrial Cleaner  
Readily Biodegradable  
Non-Flammable*

## DESCRIPTION:

**Hulk System #101** is highly effective non-alkaline detergent system. It was formulated to meet or exceed the tightest standards for employees' safety and/or adverse environmental impact. It is effectively neutral in pH, and only utilizes components that are readily biodegradable.

Since this material is non-corrosive and essentially neutral, it may be used to remove unwanted soils and contaminants from nearly any water-safe surface, including those that are painted. \*Special ingredients make this formulation especially effective at removing unwanted petroleum hydrocarbon soils from virtually any surface.

**WECHEM, INC.**

**UNIT OF MEASURE: U.S. GALLONS**

## DIRECTIONS:

This product is specifically designed for multi-use cleaning of industrial surfaces. It is suited for use with steam cleaners, pressure washers, floor cleaning equipment and manual cleaning operations. **This product is in concentrated form and may be diluted with water prior to use.** Degree of product strength necessary to clean is directly related to the type of soil being removed and the degree of buildup. Adjust dilution level until achieving optimal cleaning results.

## OIL/WATER SEPARATOR SAFE:

**Hulk System #101** contains special surface-active agents that only temporarily suspend hydrocarbon-based soils allowing for quick phase separation. This product is ideally suited for consumers who are attempting to capture hydrocarbons from their cleaning water discharge with oil/water separators. \*If special concern is warranted for a painted surface, Wechem recommends pre-testing on a small area prior to wide scale use.

**KEEP OUT OF REACH OF CHILDREN.**  
FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.  
SEE RIGHT PANEL FOR ADDITIONAL CAUTIONS  
AND FIRST AID STATEMENTS.

## CAUTION:

Skin and eye irritant. Harmful or fatal if swallowed.

## FIRST AID:

**SKIN:** Wash with soap and water. If irritated, seek medical attention.  
**EYES:** Flush with water for 15 minutes. Seek medical attention.  
**INGESTION:** DO NOT INDUCE VOMITING. Drink two large glasses of water. Get immediate medical attention.  
**INHALATION:** Remove to fresh air. Resuscitate if necessary. Get medical attention.

## SPECIAL PRODUCT FEATURES:

Contains No Alkaline — Effectively Neutral  
Highly Effective on Petroleum Hydrocarbons  
Contains No Phosphates  
Painted Surface Safe
