

# HULK SYSTEM™- #20

## Barrel-in-a-Box

### DESCRIPTION

The HULK SYSTEM BARREL-IN-A-BOX product concept is a unique way for users of industrial cleaners to reduce costs and eliminate container waste. This system represents the latest technology in detergent science and is the system of choice for industrial trades.

### NOTICE

This product is manufactured for use exclusively with Hulk System #20 Component A. Other use is prohibited unless authorized by the manufacturer. Customized dilution programs are available; consult your Wechem technical sales representative for details.

### WECHEM, INC.

5734 Susitna Drive  
Harahan, LA 70123  
(504) 733-1152 1-800-426-0512  
FAX: (504) 733-2218  
www.wechem.com

### DIRECTIONS

Add fresh water to a clean 55-gallon barrel until two-thirds full. Carefully pour in the container of component A and this container of component B. Finish filling the barrel with fresh water until full. The concentrate goes into solution easily and your water hose will provide all the agitation necessary to bring the solution together.

You now have a full barrel of a concentrated industrial cleaner/degreaser. This product should be diluted again prior to use. Adjust dilution level to achieve optimal cleaning results.

**CAUTION:** Prolonged or repeated contact of concentrated product with skin and/or eyes will cause irritation, reddening and possible corneal damage. Harmful or fatal if swallowed. Do not take internally.

**NET CONTENTS: 2.5 GALLONS**

**KEEP OUT OF REACH OF CHILDREN.**

FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.

SEE RIGHT PANEL FOR ADDITIONAL CAUTIONS  
AND FIRST AID STATEMENTS.

### FIRST AID

**SKIN:** Wash with soap and water. If irritated, seek medical attention.

**EYES:** Flush with water for 15 minutes. Seek medical attention.

**INGESTION:** DO NOT INDUCE VOMITING. Drink two large glasses of water. Get immediate medical attention.

**INHALATION:** Remove to fresh air. Resuscitate if necessary. Get medical attention.

<b>NEPA</b>	A diamond-shaped hazard diagram with four quadrants. The top quadrant contains the number '1', the right quadrant contains '0', the bottom quadrant contains '0', and the left quadrant contains '2'. Arrows point from the diamond to the labels 'Health' (left), 'Fire Hazard' (top right), 'Reactivity Hazard' (bottom right), and 'Specific Hazard' (left).	<b>HAZARD RATING:</b>
Health		4-EXTREME
		3-HIGH
		2-MODERATE
Specific Hazard		1-SLIGHT
