

HULK SYSTEM-300LF

*Heavy Duty
Industrial Cleaner*
*Readily Biodegradable
Non-Flammable*

DESCRIPTION:

Hulk System #300 Low Foam is a highly effective alkaline detergent system formulated to remove the toughest industrial grime. You'll find the fast acting formulation will quickly penetrate, cut through, and emulsify tough industrial and institutional soils. It is ideally suited for cleaning a wide variety of soils from most hard durable surfaces. It only utilizes components that are readily biodegradable.

Hulk System #300 Low Foam was designed for durable industrial surfaces and should be used with care. Users should pretest prior to wide spread application.

* Special ingredients make this formulation especially effective at removing unwanted petroleum hydrocarbon soils.

WECHEM, INC.

UNIT OF MEASURE: U.S. GALLONS

DIRECTIONS:

This product is specifically designed for multi-use cleaning of industrial surfaces. It is suited for use with steam cleaners, pressure washers, floor cleaning equipment and manual cleaning operations. **This product is in concentrated form and may be diluted with water prior to use.** Degree of product strength necessary to clean is directly related to the type of soil being removed and the degree of buildup. Adjust dilution level until achieving optimal cleaning results.

OIL/WATER SEPARATOR SAFE:

Hulk System #300 Low Foam contains special surface-active agents that only temporarily suspend hydrocarbon-based soils allowing for quick phase separation. This product is ideally suited for consumers who are attempting to capture hydro-carbons from their cleaning water discharge with oil/water separators. * If special concern is warranted for a painted surface, Wechem recommends pre-testing on a small area prior to wide scale use.

KEEP OUT OF REACH OF CHILDREN.
FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.

SEE RIGHT PANEL FOR ADDITIONAL CAUTIONS
AND FIRST AID STATEMENTS.

CAUTION:

Prolonged contact of concentrated product with skin/eyes can cause irritation or burns. Inhalation of high mist concentrations can cause irritation, burn, nausea, and vomiting. Harmful if swallowed. Do not take internally.

FIRST AID

SKIN: Wash with soap and water. If irritated, seek medical attention.
EYES: Flush with water for 15 minutes. Seek medical attention.
INGESTION: DO NOT INDUCE VOMITING. Drink two large glasses of water. Get immediate medical attention.
INHALATION: Remove to fresh air. Resuscitate if necessary. Get medical attention.

SPECIAL PRODUCT FEATURES:

Highly Effective on Petroleum Hydrocarbons
Contains No Phosphates
Separator Safe
