

## DESCRIPTION

**AVENGER** was specifically developed for tackling the toughest coil cleaning jobs. Special heavy duty alkaline ingredients penetrate deep inside coils and produce a foaming action that will clean, clear and brighten even the most soiled and neglected systems. Use **AVENGER** to return equipment to peak operating efficiency.

**NOT FOR USE ON EVAPORATOR COILS.  
NOT FOR INDOOR USE.**

## DIRECTIONS

1. Use goggles, gloves and other protective garments when using this product.
2. Apply only with a low-pressure chemical resistant sprayer.
3. Prepare cleaning solution by mixing one part **AVENGER** with three (3) to four (4) parts of water.
4. Turn system off and spray solution onto and into dirty coils and allow it to remain in contact with the soiled surfaces for three (3) to five (5) minutes.
5. Rinse thoroughly with water and return system to service.
6. Thoroughly clean sprayer and other equipment after each use.

# AVENGER™

## HIGH ALKALINE COIL CLEANER

- **FOAMING ACTION**
- **NON-ACID**
- **BIODEGRADABLE**

## WARNING CORROSIVE

**KEEP OUT OF REACH OF CHILDREN.  
FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.**  
(SEE RIGHT PANEL FOR ADDITIONAL CAUTIONS AND FIRST AID STATEMENTS.)

**NET CONTENTS: U.S. GALLONS**

3/11

## WARNING

Corrosive material. Prolonged contact of concentrated product with skin and/or eyes can cause chemical burns. Inhalation of high mist concentrations can cause irritation, burns, nausea and vomiting. Harmful or fatal if swallowed. Do not take internally.

## FIRST AID

**EYES:** In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention immediately.

**SKIN:** In case of contact, flush skin with plenty of water for at least 15 minutes. Get medical attention immediately.

**INGESTION:** If swallowed, induce vomiting immediately as directed by medical personnel. Never give anything by mouth to an unconscious person. Get medical attention immediately.
