

DESCRIPTION:

A product developed by "Mother Nature" to naturally clean, deodorize and declog. This product is specifically formulated to meet or exceed today's most demanding tests for efficiency and safety. This formulation contains natural citrus solvent extracted from the peel of oranges. This natural citrus extract has extremely low toxicity. This product does not contain any of the following toxic or hazardous chemicals, such as xylene, toluene, benzene, perchloroethylene, 1,1,1-trichloroethane, trichloroethylene or methylene chloride.

- ◆ *Non-fuming*
- ◆ *Non-flammable*
- ◆ *Metal Pipe Safe*
- ◆ *Non-corrosive*
- ◆ *Non-caustic*
- ◆ *Non-Acid*

DIRECTIONS:

Heavy Grease, Cosmoline, Undercoating, Rubber Tire Marks, Adhesive Removal: Apply undiluted onto surface. Wipe or rinse off with water.

Drains, Grease Traps and Septic Tanks: To keep drain lines open - pour into drain, allow to stand for one hour, then flush with hot tap water. In garbage disposals allow to stand 5-10 minutes, flush with hot water.

Built-up Grease Deposits: Mix 4 ounces to one gallon warm water. Apply generously to greasy floors, walls, equipment, etc., with mop, sponge or rag. Allow to work for approximately 5 minutes - rinse with clean water.

Odor Control: Mix 2-10 ounces of product to 1 gallon of cold water. Apply with sprayer to odor problem areas.

Wet Wells, Sewer Lines and Pumping Station: Drip directly into pumping stations and wet wells. Citro-Kleen will provide effective odor control when added to municipal sewerage systems. A recommended starting point for most situations is 0.5 ppm.

Motors, Chassis, Trucks, Parts, Cement Floors: Use straight in a dip or soak tank. Allow to soak for up to 12 hours, depending upon soil. Remove and rinse with water.

UNIT OF MEASURE: U.S. GALLONS

CITRO-KLEEN™

Natural Citrus Cleaner

Fast ♦ Safe ♦ Effective
100% Organic Formula
100% Biodegradable

CAUTION:
COMBUSTIBLE!

KEEP OUT OF REACH OF CHILDREN.
FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.
