

DESCRIPTION:

Coil Clear is a completely new and revolutionary tool for use in the maintenance of commercial/ industrial air conditioning systems. No longer is it necessary to perform coil cleaning jobs after hours or when buildings are void of occupants. This fast acting formulation is non-acid and non-caustic. It does not require many of the special handling requirements associated with other types of coil cleaners. Regular use of **Coil Clear** can drastically improve system efficiency and improve air quality.

DIRECTIONS:

Use **Coil Clear** as supplied from the container or dilute with up to 10 parts water before use. Apply with any type of spraying device (low or high pressure) and saturate the entire area until product begins to run off. Systems with multiple rows of coils will be best cleaned if the air flow is left on during application. Rinsing after application is optional. This product will drain as condensate.

COIL CLEAR™

Coil Cleaner/Maintainer

ACTIVATED WITH QUATERNARY AMMONIUM COMPOUNDS

ACTIVE INGREDIENTS:

Didecyl dimethyl ammonium chloride 2.31%
n-Alkyl (C₁₄ 50%, C₁₂ 40%, C₁₆ 10%)
dimethyl benzyl ammonium chloride 1.54%

INERT INGREDIENTS: 96.15%

WARNING:

KEEP OUT OF REACH OF CHILDREN.
FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.
(SEE RIGHT PANEL FOR ADDITIONAL CAUTIONS AND FIRST AID STATEMENTS.)

To Reorder:
WECHEM, INC.

5734 Susitna Drive Harahan, LA 70123
(504) 733-1152 * 1-800-426-0512
FAX: (504) 733-2218 * www.wechem.com

CAUTION:

Causes eye irritation. Avoid contact with eyes. Wash thoroughly after handling.

FIRST AID:

EYES: Flush with water for 15 minutes. Seek medical attention.

SKIN: Wash with soap and water. If irritated, seek medical attention.

INGESTION: Drink large quantities of water. Get immediate medical attention.

INHALATION: Remove to fresh air. Resuscitate if necessary. Get medical attention.
