

DESCRIPTION:

Coil-X is an alkaline, 100% Biodegradable Product. It is formulated for an extra heavy duty cleaning, yet has self-rinsing properties. **Coil-X** has excellent soil suspending qualities, which allows dirt to rinse off freely, whether it is flushed off, or rinses off with the condensate water.

DIRECTIONS:

For extremely dirty coils, scrubbing may be necessary for thorough cleaning. If unit is in use, rinsing may be omitted as the condensate water will flush the unit clean.

HEAVY SOIL: Use as supplied or up to a 1 to 4 dilution with water.

MEDIUM SOIL: Use a dilution ratio between 1 to 5 and 1 to 10 with water.

PRESSURE WASHER: Use a dilution ratio between 1 to 15 and 1 to 40 with water.

Coil-X™

Coil Cleaner

- u **CONCENTRATED**
- u **NON-ACID**
- u **NON-FLAMMABLE**
- u **SELF RINSING**
- u **100% BIODEGRADABLE**

CAUTION

KEEP OUT OF REACH OF CHILDREN.

FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.
