

**DESCRIPTION:**

Removes portland cement, lime or concrete from metal equipment, machinery, cement mixers, transit forms and shovels. Cleans old and new masonry, glazed tile, stone and concrete blocks. Removes excess mortar from brick work or ceramic tile. Ideal for removing hard water stains from most glass and metal surfaces.

**DIRECTIONS:**

Simply spray, brush or wipe on surface and flush off with water. Dissolves new or old concrete from surfaces.

**Note:** DO NOT MIX WITH ANYTHING BUT WATER. Contains mineral acids. This product may fade certain types of paint. Test before using full strength.
