

DESCRIPTION

ICE STOPPER is a special concentrated windshield cleaner designed specifically for use with windshield washer systems. **ICE STOPPER** will help clear windshields of dirt, insects, road film, ice and other contaminants without streaking or smearing. Meets GSA Type II specifications. Non-freezing to 0°F when used as directed.

DIRECTIONS

Dilution

For effective use as a windshield washer cleaner, dilute 1 part ICE STOPPER RTU with 10 parts water.

For effective use as an anti-freeze agent and ice remover, use as is. ICE STOPPER RTU will not freeze to 0°F.
