

## DESCRIPTION

**ICE STOPPER** is a special concentrated windshield cleaner designed specifically for use with windshield washer systems. **ICE STOPPER** will help clear windshields of dirt, insects, road film, ice and other contaminants without streaking or smearing. Highly concentrated for maximum economy. Meets GSA Type II specifications. Non-freezing to 0°F when used as directed.

## DIRECTIONS

### Dilution

*For use as a windshield washer cleaner* - dilute 1 part **ICE STOPPER** with 16 parts water.

*For use as an anti-freeze agent and ice remover* - dilute no more than 1 part **ICE STOPPER** with 2 parts water. At this dilution, **ICE STOPPER** will not freeze to 0°F.
