

DESCRIPTION:

JIFFY is a power packed synthetic concentrate, based on modern detergents for quick and easy removal of road film, dirt, bugs, tree sap and grime. Special ingredients also help to neutralize harmful road salts and acids. This product is safe to use on the most delicate of finishes.

DIRECTIONS:

Mix one ounce of **JIFFY** to each gallon of water. Wet the entire car and wash with cloth or brush. Rinse thoroughly with clean water. Do not let solution dry on car. Excessively soiled vehicles may require a higher concentration of detergent.

JIFFY™
