Chrome · Sinks

And More

DESCRIPTION

A ready-to-use cleaning solution for cleaning all glass and most institutional surfaces. Specially formulated for quick, easy removal of dirt, grime and pollution film without premature drying or steaming. Keeps surfaces sparkling bright.

Surfaces resist fingerprints. Phosphate-free and biodegradable. For spray, sponge or brush application.

DIRECTIONS

Apply as is by sprayer and wipe dry with a soft clean cloth, or dilute one part cleaner to three parts water, depending on existing grime and film conditions.
