

DESCRIPTION:

TFC-1000 quickly liquefies and lifts away road film, grease, oil, fuel residues, carbon stains, industrial residues, insects and other similar types of soils. Special rinse additives facilitate quick and complete rinsing.

Formulated For Maximum Flexibility.....

TFC-1000 is formulated for complete effectiveness as a single stage cleaner. Additionally, you will find that **TFC-1000** is perfectly suitable for use in a two stage system. Your service representative will gladly recommend a highly compatible and synergistic multistage product for use with **TFC-1000**.

DIRECTIONS:

Use soft water for best results. Dispense through direct feed or stock solution type metering systems. Suggested dilution ratios are between 1 to 50 and 1 to 100.

TFC-1000
Pre Soak and Pressure Wash with H.D. Cleaning Power

* Biodegradable *

CAUTION:

KEEP OUT OF REACH OF CHILDREN.
(SEE RIGHT PANEL FOR ADDITIONAL CAUTIONS AND FIRST AID STATEMENTS.)
