

DESCRIPTION

SEEK-A-LEAK gas leak detector fluid is designed with a fluorescent green color for improved visibility of leaks. Use this product with air, natural gas, oxygen, propane and refrigerants. It is ultra sensitive and has long-lasting bubbles for easy use. **SEEK-A-LEAK** is non-corrosive to metals and is safe for polyethylene pipes. Besides being non-toxic, **SEEK-A-LEAK** is also biodegradable.

DIRECTIONS

Adjust desired spray pattern. Spray to coat the suspected leak. Look for bubbles or foam. Microscopic leaks are indicated by foam, larger leaks produce larger bubbles.
