

# CITRA H<sub>2</sub>O<sub>2</sub>

*Wechem Inc., now providing Citra H<sub>2</sub>O<sub>2</sub> Citrus Concentrate- the only solution for all of your cleaning needs.*

*This product meets the Green Seal™ environmental standard for industrial and institutional cleaners based on its reduced human and environmental toxicity and reduced volatile organic compound content, with skin and eye irritation and acute toxicity met at the as-used dilution.* With the super cleaning and deodorizing strength of hydrogen peroxide, our H2O2 formulas use citrus oils to penetrate surfaces and break down oils, while the hydrogen peroxide oxidizes the soil and strains, destroys odors and provides color safe bleaching. It's biodegradable, people safer and color safe. **For use on tile & grout, floors, restrooms, showers, glass, stainless steel and as a spray & wipe cleaner.**
