

- US Environmental Protection Agency Registered Repellent
- Apply to skin and clothing for maximum protection
- Repels and protects up to 8 hours per single application
- Repels Mosquitoes, Chiggers, Ticks, Deer Flies, Stable Flies, Black Flies, Gnats and Fleas
- Triple Action Formula

This product contains:

- 25% DEET insect repellent
- 5% N-Octyl bicycloheptene dicaboximide
- 7.5% Di-n-propyl isocinchomeronate

for MAXIMUM protection against stinging and biting insects.

Dare to compare our formulation! Buzz Off is the most effective insect repellent available today. Buzz Off contains three highly effective repellents while other brands contain just Deet. The synergies of these three repellents give it the ultimate protection from biting insects. Buzz Off contains 37.5% *total active repellent*.

Compare Buzz Off to Deep Woods Off with just 25% Deet and Deep Woods Off Sportsman at 30% Deet. That's 33% more repellent than Deep Woods Off and 20% more repellent than Deep Woods Off Sportsman. What product do you want your employees using? Give them the ultimate protection - Buzz Off, from Wechem!
