

# FORCE<sup>®</sup> 100

**ELECTRICAL  
& MECHANICAL  
Degreasing Solvent**

**CONTAINS AN EPA ACCEPTED REPLACEMENT  
FOR 1,1,1,-TRICHLOROETHANE**

**NON-FLAMMABLE**

**FAST DRYING FORMULA**

**LEAVES NO FILM OR RESIDUE**

**DIELECTRIC STRENGTH OF 36,000 VOLTS**

**CAN BE SPRAYED INTO ELECTRIC EQUIPMENT  
WHILE IN OPERATION FOR COMPLETE  
AND CONVENIENT CLEANING**

## **For Use On:**

- **Electric Motors • Relays**
- **Mixers • Starters • Windings**
- **Bearings • Gears • Generators**
- **Production Machinery**
- **Assemblies of Electrical Equipment**
- **Gas, Water & Electric Meters**
- **Printing Equipment**

## **For Use By:**

- **Utility Industry • Power Plants**
- **Refineries • Industrial Operators**
- **Oil Field Services**
- **Air Conditioning Maintenance**
- **Machine Shops • Boat Yards**
- **Engine & Motor Rebuilders**
- **Equipment Manufacturers**
- **Construction Companies**
